

20L HYDRAULIC PEDAL WASTE BIN

Hygienic • Durable • Hands-Free

The 20L Hydraulic Pedal Waste Bin is designed for hygienic and efficient waste disposal in medical and commercial environments. Its hydraulic soft-close lid and hands-free operation ensure cleanliness, convenience, and durability.

KEY FEATURES

Hands-Free Pedal Operation

Foot pedal allows easy opening without touching the bin.

Hydraulic Soft-Close Lid

Lid closes smoothly and silently using a hydraulic mechanism.

Durable Construction

Made from high-quality, impact-resistant plastic for long-lasting use.

Odor Control

Tight-fitting lid helps contain odors and keeps the environment fresh and clean.

20-Liter Capacity

Ideal size for daily waste collection in medium-traffic areas.

Easy to Clean

Smooth surfaces for quick and effective cleaning.

Modern & Professional Design

Sleek grey finish suitable for hospitals, clinics, offices, and public areas.

PRODUCT VIEWS

HOW TO USE

- 1 Step on the pedal gently with your foot.
- 2 The lid will open automatically.
- 3 Place the waste inside the bin.
- 4 Release the pedal; the lid will close slowly and silently.
